Siser® EasyPSV® by Avery Dennison® is the go-to adhesive vinyl for long lasting decals! Simply cut, weed and apply with the help of EasyPSV Application Tape and a squeegee to turn any hard surface into a work of art.

Unlike HTV, PSV does not need heat to transfer the vinyl which makes it perfect for plastic, metal, wooden objects that can't be heat applied. The wide range of EasyPSV colors even includes Glitter options that are sure to spark your creativity!
