

R Tape 4775RLA[®] Conform Series[®]

Premium High Tack Paper Application Tape

R Tape 4775RLA Conform[®] is a premium grade high tack application tape with a heavyweight saturated paper. It has a slightly higher grab and adhesive coat weight making it well suited for use with embossed vinyls or intricate details. The tape has improved resistance to room moisture, ensuring consistent performance.

The **Conform[®]** technology in release liner adhesion resists tunnelling and edge curling, so is ideal for the preparation of graphics that need to be despatched for third party application.

Performance you can trust
